Dear Parents and Carers,

Re: RSE (Relationship and Sex Education)

At Porters Grange we aim to help our young people know how to be safe and healthy, and how to manage their academic, personal and social lives in a positive way. Whilst relationships education is now compulsory in primary schools, The Department of Health also set out its ambition for all children and young people to receive high quality RSE in its Framework for Sexual Health Improvement.

To be most effective, RSE needs to start early so that children learn to talk about their feelings and relationships, and at a later time, are prepared for puberty before it happens to them. If children can begin the transition into adulthood with the right information and the knowledge to understand what is happening to them, they will hopefully grow into confident and healthy adults able to make positive choices.

The materials that we use in school are child friendly and age-appropriate. Our learning is centred around an interactive programme of study called 'Growing Up With Yasmine and Tom', which has been recommended by Southend-on-Sea Borough Council and is being used by the vast majority of schools in the borough.

Within year 6, teachers will use the Yasmin and Tom resource in lessons about Gender Stereotypes, Online Technology Safety, Keeping Safe, How Babies Are Made and how Babies Are Born.

If you would like to view these materials or discuss the RSE learning in year 6, please make your child's teacher aware as we will begin these lessons on Friday 28th April.

Yours faithfully,

Year 6 team

We are a **good** school in all areas
