

Porters Grange Primary School

School Minutes - 11.6.2019

-  A register was taken. Most School members attended – thank you to those who attended.
-  Firstly the councillors were welcomed back.
-  Some school councillors had already held a class meeting and brought along some challenge ideas for Health Week.
-  The rest of the councillors were told that Health Week is coming up and each class would need to think about a different challenge we could do in that week.
-  The children were asked if there was any other business – they noted that they would like more clubs in school hours and outside of school hours.
-  School dinners were raised and there were slightly mixed reviews about the dinners and likes and dislikes. A table will be drawn up for the next meeting to get the rest of the school's perspective.
-  Playground equipment: KS1 like the basketball hoops but KS2 say they have had no new equipment, this will be followed up.
-  Next meeting will be held on Tuesday 25th June at 2.30pm
